# DATA JOURNALISM WORKSHOPS

---

---

## **SPEAKER: JASPER EVANS, INVESTIGATIVE CYBER INTELLIGENCE ANALYST**

### **Workshop 1: Introductory Data Journalism**

*4-5:15 p.m. Tuesday, March 17, 501 CL*

This workshop will provide students with an overview of data journalism, its goals, and the mechanics of data journalism reporting.

### **Workshop 2: In-Depth Data Journalism**

*4:30-6 p.m. Wednesday, March 18, 501 CL*

This workshop will provide students with a detailed overview of data journalism and the processes involved in completing a data journalism story. Learn techniques to find reputable data sources, best practices in selecting appropriate data, analysis programs/techniques, & data visualization tools.
